As usual I notified J. J. Conner^{J. J. Conner} at 15 minutes
past 12^o clock to go down to Post Office Building
at once to help store specie in vaults. Informing
him to go down at once as we were going
down earlier to day than usual. He
never put in appearance until 1¹⁵ &
after 67⁰⁰⁰ of the \$100.000 was already
at the Elevator, & nobody to bring it up
but Mr. Welch & Mr. ~~Mc~~ ^{Mc} ~~Grain~~ ^{Grain}. This man
got the order at same time as Conner did
& yet he got there got down all the
trucks & got them out single handed in time.

I have informed Conner that I
have no work for him until after he reports
to you
